CARS-R-US

Nov 2022 - Dec 2022

Cars-R-Us is a webpage created to give buyers and sellers a place to sell and buy vehicles easily and efficiently. It allows salers to sign up and login to the webpage to list their vehicles for anyone to see. They will also be able to keep track of their vehicle ads through their accounts. They will be able to list their make, model, year, mileage, pictures of the vehicle, and their contact info for buyers to get a hold of them.

- **Technologies: Bcrypt, Sequelize, Dotenv, Express, Handlebars, Heroku, node, and SQL.**
